

Home Deliveries from KLBD Restaurants via Deliveroo & other similar delivery companies

These are the guidelines issued by KLBD to our restaurants so please ensure your food arrives correctly packaged:

- 1) The food container should be placed within a paper or plastic carrier bag which should be folded at the top and taped closed with Restaurant or KLBD tape or labels.
- 2) This bag should then be placed within a second plastic carrier bag and once again folded at the top and similarly taped closed.

If your food does not arrive packaged as described, you are advised to complain to the restaurant and also to notify the KLBD, including full details of the order and delivery, with photos if possible.
