

Are Walkers Baked Crisps Kosher?

As Walkers Baked is a complicated product, it is not approved and would require kosher certification, like Kettle Chips which carry the KLBD logo. In order to make Walkers aware of the interest in this product we are asking all enquirers to submit an email request to ask the company to have Walkers Baked kosher certified. You can do this via their website www.walkers.co.uk [1]. Click on [Contact Us](#) [2] and submit your query.
