CATERERS

All milk products used by KLBD caterers are Chalav Yisrael.

Many United Synagogues have function halls suitable for banqueting, simchas or parties. Free kosher supervision is offered for functions of up to 175 guests held in US halls. For synagogue contact details visit www.theus.org.uk/communities [1]. Please discuss suggested venues directly with your chosen caterer.

A number of KLBD restaurants have private dining facilities and can cater for small functions inside the restaurant. This is indicated in the notes in the [Restaurants section](#) [2].
